Dear Honorable Members of Parliament and Scout Leaders,

We are pleased to announce that the 7th General Assembly of World Scout Parliamentary Union will take place in Tokyo, Japan from November 6th to 8th, 2013.

The General Assembly is held every three years and it is our pleasure to host the meeting in Tokyo. This conference will be an important milestone as the meeting determines our next triennium towards our silver jubilee. Since the first conference held in Seoul in 1991, the network of Scout Parliamentarians has been expanded and we are hoping the network grows even bigger.

The members of the World Organization of the Scout Movement are now in 162 countries. More than 30 million Scouts are doing their good turns daily and it is our privilege to support this global movement.

The General Assembly is not only a great place to expand our network of Parliamentarians it is also a unique place to exchange ideas and best practices for Scouting. As the host country of the next World Scout Jamboree, we would love to show you our beautiful country.

Please also find attached information and forms for election of Executive Committee members and call for invitation to host the next General Assembly in 2016.

We will prepare a variety of programmes in balmy autumn Tokyo and look forward to meeting you at the General Assembly.

Sincerely yours in Scouting,

**Ryu Shionoya**
