

World Scout Parliamentary Union
11th General Assembly
Nyeri, Kenya 2025

Dear Honorable members of WSPU,

We are pleased to announce that the 11th General Assembly of World Scout Parliamentary Union will take place

in Nairobi, Kenya

from 9th to 13th November, 2025.

The World Scout Parliamentary Union (WSPU) is an independent association which unites Scout-oriented parliamentarians from all over the world and brings them into closer contact with the world Scout movement. The main purpose of the WSPU is to strengthen the national Scout organizations, at the national level, and support world Scouting at the international level, through the work of parliamentarians. It also aims to encourage the establishment of the National Scout Parliamentary Associations (NSPAs) under the parliamentary framework, with a firm belief in the effectiveness of non-formal education.

The General Assembly is normally held every three years, and it is our pleasure to host the meeting at the Nairobi, Kenya. Since the first WSPU General Assembly was held in 1991, the network of Scout Parliamentarians has been expanded, and we are hoping the network grows even bigger and wider.

The theme of the 11th General Assembly of WSPU is "Parliamentary Scouts in SDG's, Creative Economy and Climate Action". As the SDG's are global priority, we look forward to engaging in productive and meaningful discussions at the General Assembly. Also, before the main meeting, we will have a Youth Assembly in Nyeri from 6th to 9th November 2025.

We all looking forward to meeting you at the General Assembly.

Yours in Scouting,

John KJ Kiarie
1st Vice President of WSPU
President of WSPU Kenya
