## Call for Invitations to Host the 12th General Assembly of WSPU

The WSPU Executive Committee requests invitations to host the 12th General Assembly of the World Scout Parliamentary Union in 2028.

Hosting the General Assembly requires considerable time to organize and need support from many other organizations and governmental authorities. In each case, the host country must provide a satisfactory venue and the necessary organizational infrastructure, including services and staff. In addition, the organization of such events requires considerable financial support from within the host country.

National Scout Parliamentary Association (NSPA) who are interested in hosting these events are invited to contact the WSPU Secretariat before they formalize their invitation in order to be fully informed about the official guidelines and requirements for hosting the General Assembly.

The General Assembly is usually scheduled in early November of the year, in consideration of various congressional schedules around the world.

NSPA who wishes to host the event is requested to fill in the attached form and send it to the WSPU Secretariat by **no later than August 29th 2025**. A specific plan of the meeting is to be submitted to the Secretariat before the 10th General Assembly and the host will be announced during the 10th General Assembly of WSPU.
